

DIFFERENTIATED
COACHING ASSOCIATES

Jane Kise, Ed.D. is a consultant, coach, and author of over 25 books, including *Holistic Leadership*, *Thriving Schools*; *Intentional Leadership*, *Differentiated Coaching*, and *Unleashing the Positive Power of Differences*. She founded Differentiated Coaching Associates to increase leadership effectiveness. She works with business and education leaders and their teams to improve communication, collaboration, conflict resolution, classroom instruction, and change management—the five “big C’s” of her organizational consulting.

With 25 years of coaching experience, Kise works to form partnerships that align her skills with client needs, with clear, realistic parameters around goals, resources, time frames, and coordination with other initiatives. The focus is ensuring that leaders can be more intentional, systemic, and practical in their work.

Jane’s skill as a motivational speaker is evident in her keynoting multiple times at the Australian, New Zealand, and European Associations for Psychological Type conferences, as well as at instructional coaching conferences, corporate events, and other conferences around the world. Her humorous yet practical, insightful, and interactive presentations engage all learning styles.

She is a past president of the Association for Psychological Type International. Her clients include Minnesota State Colleges and Universities, Medtronic, Minnesota Department of Education, NASA, and public schools and school districts across the country and around the world. Her TEDx talk, *Neuroscience, Jungian Type and Mathematics: Insights into Student Struggles*, has been seen by thousands of viewers.

Dr. Kise holds an undergraduate degree from Hamline University in Business and English, an MBA in Finance from the Carlson School of Management, and a doctorate in Leadership, Policy and Administration from the University of St. Thomas, where she teaches doctoral courses in Education Leadership. She is a certified practitioner for Positive Intelligence, Polarity Thinking Assessments, Hogan Assessments, MBTI Steps I, II and III, the EQi-2.0, the Strong Interest Inventory, and the Neuroscience of Personality.
